Letter from the Executive Foundation Director...

Fall is in the air!

Spring and Summer were a flurry of activity!

As mentioned, June brought a great community turnout for NSCC Proud Day. The growth of support for this special day was tremendous!

August led us into fair season with participation at the Henry County Fair and Fulton County Fair in September. It was great to witness alumni stopping by and sharing some of their NSCC experience of years past. It was great, too, to

hear first hand of how one's NSCC education led alumni into careers of their choice.

In September, we were full swing into the NSCC Van Wert Campus Golf Outing on September 15. Danfoss was a presenting sponsor again this year and helped to make the event a success. Many thanks are extended to the golfers, sponsors and volunteers that continue to make this event happen!

As we enter the fall season, I am reminded of the changes we've endured and the ones that lie ahead. Our community IS "Simply the Best"!

Enjoy this time of year AND thank you for your continued commitment to our student community.

Robbin Wilcox

Ag Alumni!

The NSCC Agricultural Studies programs are thriving! Our Ag Grows Here student organization is seeking connections with our alumni as guest speakers, field trip hosts and potential employers. Please reach out to faculty member Kayla Miller at kmiller2@NorthwestState.edu to update your contact information and share your passion for agriculture with future generations.

NSCC VANWERT Campus Golf Outing

September 15, 2023 marked the 3rd annual NSCC Van Wert Campus golf outing at Hickory Sticks Golf Course in Van Wert. The outing has grown every year of its existence, with teams playing for a great cause - to raise scholarship dollars for students residing in Van Wert and Paulding counties. We are thankful for the support of Danfoss as the presenting sponsor again this year and are appreciative of new sponsorships that were garnered in support of the golf outing.

NSCC Proud Day Rooted in Community

On June 30, Northwest State and the surrounding communities celebrated NSCC Proud Day.

This year we extended NSCC Proud Day to include yard signs as an additional show of support for NSCC Proud Day. Signs were offered to area businesses to display and what a turnout we had! Signage was not only placed prior to, and on June 30, but continues to adorn area businesses to this day!

What exactly does it mean to be NSCC Proud? It can mean different things to different people - you're PROUD you're a current student - PROUD you graduated with your degree from NSCC - PROUD you're an employee/retiree. The list is endless!

What we do know is that NSCC is a community gem and we want to capture every opportunity we can to showcase all of the treasures it holds. We can accomplish this by continued support of NSCC Proud Day and growing its popularity and participation each year.

The hope for future NSCC Proud days is to continue to increase participation. Our goal is to show as much support and love for NSCC as we can. One of the ways we can do this is by obtaining video testimonials and flooding our social media with your pride of NSCC - sharing of your experiences and expressions of gratitude. If you are willing to have a brief testimonial filmed as part of NSCC Proud Day 2024, please email us at alumni@northweststate.edu or call 419-267-1460.

A million thanks to everyone who participated in NSCC Proud Day - your show of support helped to make the day a success!

Fair Fun!

Thank you to everyone who stopped out to see us for Alumni Nite at the Henry and Fulton County Fairs! It was a great turnout and a wonderful opportunity to connect with NSCC Alumni!

Don't forget to update your contact information by sending us an email at: alumni@northweststate.edu

NSCC Summer Camps Shine!

The sun was not the only thing shining at NSCC this summer! The Power of STEAM (Science, Technology, Engineering, Arts AND Mathematics) provided 112 children ranging from grade school to high school the opportunity to experience a variety of Summer Camps this past June and July. Summer Camps ranged in topics from First Aid, Hydroponics, LEGO Masters, robotics and field trips to manufacturers to name a few.

For information on how you can help support future Summer Camps, please reach out to Jani Tisovic, NSCC Outreach Coordinator at: jtisovic@NorthwestState.edu or 419-267-1381.

Psst! Registration for the 2024 Summer Camps will open late March 2024!

October marks the month that students can begin to apply for NSCC Foundation Scholarships for the 2024-2025 academic year. ONE application for over 50+ scholarships! What an amazing opportunity made possible by our generous donors!! For more information on student scholarships, visit: NorthwestState.edu/scholarships#foundation DEADLINE TO APPLY IS: February 29, 2024
