

## Recyclables Guide

### Items not recyclable

- Any plastic used in packaging unless it is marked as “1” “2” or “3”.
- Any tempered glass or drink glasses
- Plastic jugs used to contain cooking oil.
- Plastic coated paper products

### Items recyclable

- All office paper, newspaper, magazines
- Corrugated cardboard
- Plastics marked “1,” “2”, or “3.”
- Glass: clear, green, or brown. All except that defined above.
- Any metal cans
- All plastic screw on lids, regardless of number display or not
- Paper products used in packaging that looks like “egg cartons”
- Small appliances (disassembled for the copper and other metals)
